

Welcome!

Whenever you come into our beautiful church, you are likely to find some sort of music taking place; it may be one of our stunning listed concerts, or a rehearsal for a concert or choral service. You may also hear our organist, one of our organ scholars or one of our local professional musicians rehearsing, or just an informal concert by some of our local, very talented musicians. Please stay awhile, listen and enjoy and be part of the continuation of a musical heritage at St. Etheldreda's which goes back hundreds of years. You can find out more about our church services and events, including information about our choirs, and choral and organ scholarships on our website at www.stetheldreda.org.

CHORAL SERVICES

There is a choral Eucharist every Sunday at St. Eth's with an anthem or choral motet to reflect the season. The choir also sings Choral Evensong on selected dates throughout the year. Come and join us for these beautiful and uplifting services.

All money raised from our concerts this year will go directly to installing a modular toilet block by the side of the church until we have more permanent facilities in our West End development.

The West End as envisaged
