Policy for Safeguarding Adults who may be vulnerable

We are committed to implementing a safeguarding policy for adults when they are vulnerable accepting the Church of England Policy on Safeguarding Vulnerable Adults (Promoting a Safe Church 2006) and be responsive to local parish requirements.

We are committed to promoting and supporting environments which:

ensure that all people feel welcomed, respected and safe from abuse

encourage adults who may be vulnerable to lead as independent a life as possible, to choose how to lead their life, and to be active contributors to the church community

protect adults who may be vulnerable from actual or potential harm

enable and encourage concerns to be raised and responded to openly and consistently.

We recognise that:

everyone has different levels of vulnerability, and that each of us may be regarded as vulnerable at some time in our lives

all adults who may be vulnerable (regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity) have the right to equal protection from all types of harm or abuse

abuse of adults who may be vulnerable can occur in all communities and is most likely to occur within families and by people known to them
